AN ORDINANCE.

At a meeting of the council of the city of Roanoke, held December 10th, 1889, the following ordinance was adopted:

Be it ordained by the council of the city of Roanoke, upon the petition of the Roanoke and Southern Railway company, by its president, filed on this 3rd day of December, 1889,

1. That the sergeant and judges of election for the said city of Roanoke do open a poll at the several voting precincts of said city, on Tuesday, the 28th day of January, 1890, and take the sense of the freehold voters on the question, whether the said council shall be authorized, in the name of and for the use of the city, to cause to be issued, bonds to an amount not exceeding one hundred thousand dollars for the purpose of making a second and further subscription to the capital stock of the Roanoke and Southern Railway company.

2. The said election shall be held and the authority to issue bonds and make said subscription shall be upon the following terms and conditions, namely:

1. The said council may subscribe for the stock of said company to the amount of one hundred thousand dollars; provided, that in doing so the aggregate debt of the city shall not exceed ten per centum of the assessed value of the property, real and personal, within the city limits.

11. That the said company shall within ninety days after the said subscription shall be made, commence to construct its line of road at its terminus in said city of Roanoke, or within one mile of the city limits and shall prosecute the same in a bona-fide manner with all reasonable diligence to its completion.

III. The bonds of the city of Roanoke shall bear 6 per cent. interest and shall be redeemable in thirty years, and shall be issued and delivered to a trustee, to be agreed upon between the council of the city of Roanoke and the president of the Roanoke and Southern railway. The said trustee upon the certificate of the chief engineer of said railway of the completion of the grading of such and every mile of said road from Roanoke city southward shall deliver to said railway the bonds of said city to the amount of \$5,000 and upon like certificate of the engineer for each and every mile of said road when the superstructure is completed, and ready for operation, the said trustee shall deliver to said railway bonds to the amount of \$5,000 per mile until the entire sum of \$100,000 provided for in this ordinance shall be delivered.

Upon the delivery of the bonds of the said trustee to the railway company the said company shall deliver to the said trustee certificates of stock in said railway to the full amount of said bonds.

IV. The subscription when made by the city council shall be upon the terms and conditions herein set forth, and should the said company fail to comply with said terms and conditions, then, and in that event, the said subscription, at the option of said city, shall be void.

3. The election shall be held and conducted in the manner provided for under section 1243 and 1244 of the code of Virginia, and the question submitted shall be determined under the provisions of section 50, chapter V. of the charter of said city.

4. The sergeant shall cause a certified copy of this ordinance to be published in the daily papers of this city, and shall post a copy thereof at each of the voting places for thirty days previous to the day of election.
